HILL TRIAL IS SET FOR MONDAY

Yoemen Open Conference Friday Night

VENIRE 200 MEN

Raby Hill, cafe owner, charged by indictment with murder in connection with the shooting of George Richards, night policeman here at 1 a. m. Sunday, September 22, will go on trial in district court Monday morning, October 7th.

A special venire has been summoned for the case, it was announced Tuesday.

John Watson, former district judge and DeWitt Bowmer of Temple, are representing Hill. Effort to get bond for Hill was made here late last week when his attorneye filed application in District Court. In legal terms the action is known as habeas corpus and is resorted to by defendants to obtain bond.

No hearing has been held in the case. It is said that Hill had not asked for a hearing and expressed the desire to waive the right to place testimony as a bid for bond.

Trial may proceed while habeas corpus is pending. If the right is denied here, an appeal may be taken. The writ was filed by Judge John Watson.

People are sentimental, particularly in October. No leaf can fall to the ground without their seeing in it an allegory of their own lives. With Longfellow they chant "The hopes of youth fall thick in the blast;" or else they remember as much as they can of Holmes' wistful "The Last Leaf." All of which, we believe, comes under the head of "the pathetic fallacy." Meanwhile the leaves continue their serene descent.

And so October passes on with its pictures in woods and nooks of yards and hollows, growing ever more fanciful, until the scene is a revel of color and form. Sometimes in this part of the world, October's influence seems to extend into the winter months. The days continue to entrance and the Indian Summer gives us an atmosphere that is rife with the elves and faries of our dreams. But inevitably there comes the blast of winter down the chimney, the curtain is rung down and we are in a new world of snow, ice and stimulating air which we call winter. This is an interesting old world. It's unanimous.

Once more the automobile industry is performing the miracle of bringing out new models. Year after year the new cars come out. Each is introduced as its maker's finest product and is so received by the public. Seldom now does one hear the criticism that the new cars are not so good as those of former make.

That the continuous progress and improvement are unfailingly achieved seems a sort of magic. Yet such proof lies in citing the comparison of a new car of the new vintage with one of only a few years ago. To mention such comparison is enough to get complete agreement as to the decision. The new car is more beautiful, more comfortable, more efficient and more durable. It is a combination of corrections and improvements on all of its predecessors.

Marvelous industry! To understand the value of its contribution to human well being, one needs but contemplate for a moment what the effect would be on every phase of life if the automobile industry and its products were no longer to exist.

UNDER THE COURT HOUSE DOME

By Berenice Mc Lerran

"Oh, God, please—" has no doubt been the words spoken in prayer by many a mother in pleading for her son that he might come clear of the charges against him in the courts. Many mothers' prayers have gone unanswered in the court room, and a case of this kind occurred in the Milam county District Court last week. As the jury marched in to return a verdict into court, the mother sat behind her son, nervous and pale, her lips moving in prayer, which were only half audible. As the word "GUILTY" was read from the verdict the mother became hysterical. "No, No," she cried, "It cant be," and her

All District Guard

JIMMIE STANISLAW

A tower of strength in the Yoemen line, Stanislaw, all district guard and Yoeman letter man, is playing his second year under the maroon. A hard hitting guard, he will carry into the opening conference game Friday night the hopes of thousands of Cameron fans.

Cotton Crop About Equal To 1925 In Milam County

Milam County's 1935 cotton crop is about equal to that of 1925. Up to September 16 there were 11,316 bales gined as compared with 30,100 for the same period in 1934.

In 1925 about ten thousand bales were ginned in the county. That was the year of the big drouth. Unless the fields yield a surprising number of bales from the unharvested acres, the crop will be one of the lowest in history.

Tyroleans At Burlington On October 10th

The Tyroleans, European Musicians, will give a program for a dance at Burlington Hall Tuesday, October 10. This is a return engagement of these celebrated musicians from Germany.

Clarkson School Opens On Monday

The Clarkson School opened Monday, Setember 30, with the same teachers as last year.

Cotton picking is about over, so we urge everyone to attend the first week and continue, as regular attendance makes it difficult for both teacher and pupils to do efficient work.

Supper and Carnival At Vogelsang Church

Everybody is invited to attend the Supper and carnival at the Vogelsang Community House Tuesday night October 8th. The supper will be served family style beginning at 6 o'clock.

Your attendance will be appreciated by the ladies sponsoring the supper for the benefit of the church.

Jail Break Fails As Sheriff Acts

The attempt of Charles A. Baumgardner to escape jail here was foiled by Sheriff Max Kennedy. The Sheriff said he heard a noise in the second story of the jail about eleven o'clock and upon investigating found Baumgardner trying to remove bricks in the wall by picking around them with a sharp, flat instrument.

Baumgardner was placed in another cell for safekeeping and on Wednesday morning was taken to Huntsville. He is 18 years of age and was convicted on Tuesday, for burglary and given ten years in the penitentiary.

Prospects Are Below Normal

The Yoemen will open the 1935 District Conference race Friday night against Thrall on Yoe Athletic field in Cameron. It will be their third game of the season and the first conference schedule.

Cameron beat Thrall in 1934 by a score of 6 to 0. There was a controversy over the score and Thrall is coming over to get revenge in a big way.

Yoemen looked like sorry champions against Franklin Friday night. Instead of giving hopes of repeating this year they seemed to be catapaulting into the cellar. The champions of 1934 were a vastly different set of men to their sucessors on the field last Friday night. Not only did the 1935 Yoemen fail to make an appreciable showing in advanced season training but could not qualify in the simplest rudiments of the game.

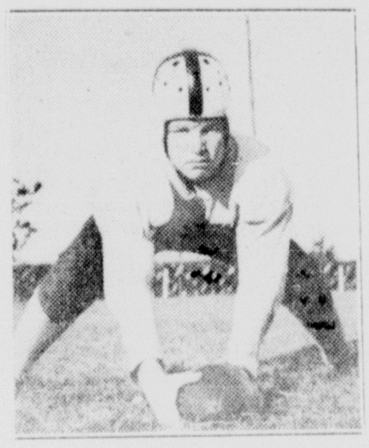
There are certain fundamentals like holding on to the ball, blocking, tackling and avoiding short punt formations behind a ragged line. None of these did the Yoemen bother about with the result that it cost the team at least three touchdowns and resulted in three blocked punts. The team looked like a million dollars in the Marlin game and a New Deal Dollar against Franklin.

Coach Wood was plainly displeased with the brand of football the Yoemen gave Friday night. He said it looked like the cellar this year.

The form must improve. The Yoemen will find Thrall taking advantage of such lapses as featured the Franklin game. Fans are hoping a vastly different squad would be on the field here Friday night.

Elsewhere will be found a play by play report of last Friday's game.

Has Difficult Job



FRANK PERRIN

Frank drew one of the most difficult assignments of the year from Coach Wood when he was placed at center. He has played two games as regular center this year and was a star in the Marlin game. He succeeded Leonard Blaylock, all District Center in 1934 ,but Frank's performance leads fans to believe he will uphold the traditions of Yoe High football.

Bradbury Announces Annual Fall Opening Sale For October 4

Merchandise sales as a usual thing are common, but when one comes along that is unusual, it creates much interest.

People in the Cameron trade territory will be interested in the annual fall opening at the C. W. Bradbury store in Cameron. He says he does not make a habit of putting on sales. Merchandise often disposed of in sales are not standard goods. Not so with Mr. Bradbury. He is offering new quality merchandise for which the store has been famous for 15 years, at sale prices.

The sale opens Friday morning. Mr. Bradbury placed his advertising in the Herald which goes to its readers Wednesday night. Buyers can now get quality merchandise at sales prices and this is a bargain combination seldom made possible to the people.

LATE NEWS FLASHES

Raby Hill, cafe owner, charged by indictment in connection with the fatal shooting of George Richards, night watchman here at 1 a. m. Sunday, September 22, was in district court at 1:30 Wednesday afternoon with his attorneys asking for a writ of habeas corpus to make bond and get out of jail. Herman White and Rex Bailey of Houston were convicted of a hold up and robbery in Gause July 17th. Bailey entered a plea of guilty and got 10 years. White was tried and convicted in three cases. He was given two days to accept sentence, if he desires. He will make his decision Thursday whether to appeal or accept sentence. The men were convicted of robbing the Willard Smith store and Porter Drug store.

Counterfeiters Are Taken In Rockdale Raid By Officer

Three men, two of them from Milam county, were arrested over the week end by Constable W. C. Colvin of Rockdale and charged with making counterfeit money.

The men are S. Brumbelow and John H. Dees of Rockdale and C. W. Dozier, a carnival man, who was arrested in Franklin. The men have been taken to Austin.

Big Yoemen Tackle

BILLY TRIGGS

Billy is putting into the Yoemen line this year a brand of football that made him one of the outstanding stars of the 1934 district championship team. To this big tackle cling the hopes of Coach Wood and old Yoe High to give the line all the necessary strength when the maroon faces Thrall Friday in the conference opener.

AID FOR STUDENTS IS NOW AVAILABLE

The National Youth Administration has provided funds for a program of financial assistance for single men and women between ages of 16 and 25 who are at present unable to attend school for want of money for text books, bus fare, lunches and other essentials, from the beginning of the individual institution's fall term after September 1, 1935, to the end of the spring term, in no case later than June 30, 1936.

Students to be eligible for participation in this program:

1. Must be between the ages of 16 and 25.
2. Must be single.
3. Must be members of families certified to relief.
4. Must be able to do high grade work in school.
5. Must be able to show that without financial assistance they would not able to attend school.
6. Must be in high school. A student who has graduated from any school that teaches eleven grades is not eligible to participate in the High School Program.

The amount of aid provided will not exceed $6.00 per month. Any student eligible to participate will please make application to the principal of the school where they are attending or expect to attend. Application blanks may be obtained at the office of the County Superintendent. Milam County has been allotted 40 such students and their applications must be in the County Superintendent's office not later than October 12th, 1935.

Goodrich Tires On Budget Plan Says W. A. L. Ribinson

W. A. L. Robinson, owner of the Robinson Service Station here announces the opening of the new Budget Department.

Mr. Robinson says: "The new Budget Pay Plan Department is an inovation to credit buying. Its liberal basis of operation is different, new and unique. It makes possible any size purchase by any motorist and the extension of easy, convenient, liberal terms to everyone."

Mr. Robinson also states, "Thousands of motorists will certainly welcome this new budget plan to Cameron. Popularity is certain because it is in tune with the times. This plan is as flexible as a rubber band, suits every need and fits every purse."

Mr. and Mrs. Joe S. Picker of Dallas have returned to their home after a pleasant visit here with Mr. and Mrs. R. D. Brown.

BURLINGTON PROJECT FOR ROADS APPROVED

Notice is given in the Herald this week outlining the plan for a coming bond election in the Burlington road district for improvement of 11 miles of lateral roads leading into the town.

This notice will be of interest to the people of Burlington and property owners. It will be published only one time and all citizens of Burlington district will find details in this issue.

Congressman Cross, in a telegram to Ray O'Neill Tuesday, said that the Burlington road project had been approved by the Works Progress administration in Washington on September 4th and the contract had been sent to the President for signature.

This assures the improvement of 11 miles of lateral roads in the Burlington territory. A bond election for $16,000 will be called within the next 30 days. If the bonds are voted the construction will begin at once.

The roads covered by this project are vital to Burlington trade and it was believed certain the property owners would support the plan.

Baptist of County To Meet In Cameron On October 10th

The Milam County Baptist Association will convene here Tuesday at 2:30 p. m. The Association will meet through Friday.

On Thursday night Dr. Marshall Craig of Dallas will preach at 8 p. m.

Howard Terry Makes Good At Tackle On Longhorn Team

Howard Terry, captain and fullback on the Yoemen team in 1933, was in the starting line up for University of Texas against A. & I. Saturday.

Coach Jack Chevingy started the Yoeman at right tackle. He was switched from center to tackle this fall. In discussing Terry the Texas coach said: "Terry will start because he is tough, he is "mean," a good blocker and altogether the best right tackle on the squad." Terry played tackle in his junior days here. He is the son of Mr. and Mrs. Bob Terry.

Mrs. W. E. Gaither and Mrs. James Watson were visitors in Waco and Eddy last week They visited with Mrs. Sallie Kincannon in Eddy.

Health Board is Organized Here

Milam County Public Health Board was organized last Saturday, September 28 at a meeting called for that purpose in the County Court Room.

Judge Kemp opened the meeting, and after stating the purpose of the gathering and introducing Mrs. J. P. Love as the chairman, appointed by County Commissioners, requested Mrs. Love to take charge.

Mrs. Love outlined the plan of State Department of Health for the county's co-operation with Public Health projects, and introduced the Public Health Nurse, Miss Pearl Fulcrod.

Miss Fulcrod spoke briefly of the aims of her work and of her appreciation of co-operation of physicians, dentists and citizens at large.

It was decided by vote of the assembly that meetings shall be held on the second Saturday of each month, at 2:30 in the county court room. At these meetings reports on progress of Nurse's and Committee's work will be made. Announcement will be made in the near future of names of officers and committee chairmen.

The County Nurse's office is located at 304 West 3rd Street, Cameron.

We publish at this time a list of articles needed by the nurse. Persons in the county who can furnish any of these articles will please notify Mrs. J. P. Love, president, or Miss Pearl Fulcrod, nurse, Cameron, Texas.

Articles Needed: Desk, Cabinet, Table, Screen, Baby Scales, Music Stand (for mounting eye chart), Sheets, Water Bottle, Wheel Chair, Etc.

SHARP NEWS

Rev. E. H. Gunn, who has been building the cabinets in the vocational agriculture building has recently finished his work.

The last report was that 426 bales of cotton ginned in the Will Davis gin. Two weeks prior to this last report there were only 241 bales ginned. Mr. Davis estimates that there will be about 750 bales of cotton ginned by him this season.

Coach Fikes reports that his football team has seen two hard weeks of training. They will play about 8 or 9 games this year, one of them boing Saturday night with the Cameron second string.

In previous years the class at Sharp very seldom exceeded 25, but this year there are 36 boys in Vocational Agriculture and 35 in Biology. There is also a large number in Home Economics.

There has been four machines purchased in the school for Home Economics.

"Texas Is My Home"
Texas is my native home
Here I shall live until I die.
Dear Old Texas I may roam,
But I'll never roam out of Texas
Where they raise plenty of rye.
Early to rise every day with my mind
On the State I love best.
Now I'll tell the rest:
Dear Lord, lift my feet on high
So I'll keep going to the school in Texas—
Dear old Cameron High.

The world will remember Thomas A. Edison for a long, long time. When he was only twenty two he made his first great invention, a stock exchange ticker. From then until his death his inventions and improvements on inventions came forth with startling rapidity. Mr. Edison attributed his success to the small amount of time he wasted. In fact, wasted time was Edison's pet abhorrence, and he even deplored the fact that man must sleep one third of his life.

If Edison were alive today, what would he think of the way we use our time in study hall? Too many of us spend our study hall either talking or just doing nothing. Talking may disturb others and keep them from studying. If we do not get our lessons in study hall, we must get them at night, and thus we waste both our time and that of others.

OUR FACULTY

Beginning with this week's edition of The Yoemen Chant, the Press Club will present each week a short biography of a member of our faculty. This week we present our superintendent, E. A. Perrin.

Mr. Perrin, then known as "Buck," completed his grammar and high school education in Georgetown, Texas. The next three years he labored in Southwestern University, earning his B. A. degree. Becoming the principal of the high school at Athens, Texas, he married. After serving in the army from 1917 to the signing of the Armistice, he became principal of the high school at Edna, Texas. Upon the resignation of the Edna superintendent, Mr. Perrin was selected to fill that position. During the summer of 1923 he was director of the South Texas Normal at Corpus Christi, with an enrollment of 300 and the following summer he served as an instructor in South Texas Teachers' College at Kingsville. From Edna he went to Goliad, where he was superintendent ten years. Five years of this time he was Chairman of the Gulf Post Teachers' Association. In July, 1934 he became superintendent of the Cameron Schools after receivig his M. A. degree from the University of Texas.

ARRANGE TO SEAT LARGE CROWD

At the Athletic Council meeting held Monday night, September 23, arrangements were made to build bleachers large enough to seat four hundred people on the south side of the Yoe High Athletic field. These seats will later be replaced by newer and better bleachers.

MEETING DATE SET

The meeting time for the Press Club of the Yoe High School has been set at eight o'clock each Tuesday morning. At the meetings, in addition to the planning of each week's edition of the Yoemen Chant, the Club plans to study the bulletins sent out by the Texas Interscholastic League Press Conference to the staffs of Texas high school newspapers.

Officers of the Press Club are to be elected at the meeting on Tuesday, October 1.

During the past week, the Press Club has acquired two new members, Douglas Perrin and Edward Matocha, who will serve as regular members of the staff for the remainder of the year.

YOE HIGH TO BE REPRESENTED AT FAIR

The vocational agriculture and the home economics departments of Yoe High School will make entries in the Milam County Fair to be held in Cameron October 1. These departments are headed by E. D. Parnell and Miss Mary Sue Hardage respectively.

THE PEP SQUAD PLANS

The Yoe High Pep Squad expects to give a performance on the football field Friday night, October 3, between halves.

They have given a great deal of time to drill work for the past three weeks. There are fifty girls in the squad with Patricia Batte as rank captain and Frances Terry as leader, we'll expect an interesting routine.

B SQUAD DEFEATS SHARP ELEVEN

The Yoemen B Squad defeated a strong eleven in a hard fought game here Saturday night, September 28, on the Yoe Athletic field by a score of 13 to 6.

The visitors held the Yoemen in check during the first half, but gave way to powerful off tackle plays in the third quarter. The first touchdown was made by Woodrow Lange; a pass for the extra point was incomplete. The Yoemen scored again in the fourth quarter. The ball was run over the goal for the extra point by Alvin Sustek.

The Sharp score was made by a wide end run. The Yoemen substitutes were Clifford Guess, Jeff Cammer, Roy Mabry and Sidney Kriesman.

YOEMEN TO MEET TIGERS FRIDAY

Coach L. C. Wood is ready for the Tigers Friday night at the Yoemen field. This is the first conference game this season. The Thrall team looks tough but the Yoemen will try their best to win.

We didn't beat Franklin as badly as we wanted to, but the boys played a hard game.

DRAMATIC CLUB COMPLETES ORGANIZATION

The Yoe High Dramatic Club of 1935 was officially organized Wednesday, September 25. The officers elected were as follows: President, Alice Rylander; Vice President, Mildred Parma; Secretary and Treasurer, Ruby Baylor; Critic, Mary Ellen Cottle.

The following committees were appointed by the president: Social Committe, which was to decide on a name, flower, colors and motto for the club is: Ella Bess Haygood, Chairman; Anne Zajicek, Charles Edward Hensley. The stage Committee is: Imogene Peeler, Ida Lee Erck, Billie Marek.

On September 26 and 27 the Club studied pantomines which are to be given at the assembly program on October 2. Miss Dorothy Blaylock graciously consented to help the Club in their work this week.

STUDENTS ENTERTAINED BY CHAPEL PROGRAM

After an invocation had been offered by Rev. N. D. Timmerman, pastor of the First Baptist church of Cameron, the student body of the Yoe High school was entertained Thursday, September 26, at the weekly assembly period by the talks of three young Future Farmers. The first was a talk on "Why I Have A Home Garden," by A. W. Lucas. The second talk was by Roy Mabry, who spoke on "Suggestions for a Fall Garden." "How to Prevent Insects and Diseases in Gardens" was the subject of the talk by Charles C. Cox. After these talks Rev. C. Y. Dossey spoke on "Six Ways to Tell Right From Wrong."

W. P. A. PROJECT

Both the Temple and Waco newspapers published on October 1, 1935, the news that the $16,000 W. P. A. Project from Austin for the Cameron schools had been granted. This money will be matched with Cameron's $4,000 to benefit the Cameron school system. The money will be spent for the following. One hundred and eighty pecan trees to be planted on school property, steel bleachers for the athletic field to seat 1064, three stone entrance gates for the athletic field, four additional rooms for the negro school, and a stone curbing completely surrounding the school property.

PLENTY OF ICE FOR ALL OF THEM

No matter how many guests there are to be served, there IS plenty of ice for all of them—when you have ICE REFRIGERATION! For the first round, for the second round, and for as many guests as there may be. You don't have the inconvenience and delay of waiting for more ice to be "made."

When you use PURE ICE from a clean, modern ice plant, it is always TASTE-FREE. ICE in your refrigerator cannot absorb flavors of foods—it CAN'T taste like cucumbers or cantaloupes or onions or whatever you may have in the food storage compartment. ICE REFRIGERATION gives you PURE, TASTE-FREE ice—in any quantity you desire.

Users of ICE REFRIGERATION ALWAYS have PLENTY of ICE—at all times!

A TAX UPON POVERTY

The need for millions to pay the old age pensions and other expenditures and to take care of a steadily mounting deficit and an empty state treasury is agitating the minds of the senators and representatives at Austin. They are pondering ways and means of raising this money. Theirs is a grave resposibility. A direct challenge to sincere courage, high intelligence, and above all, their loyalty to the common people who elected them, faces the group. Some are-unfortunately, in favor of the general sales tax. At these gentry is this indignant though truthful article aimed. The people of this great commonwealth must never allow its legislature to saddle this inquitous sales tax upon them. It is vicious legislation—manifestly unfair and socially dangerous. It is decidedly discriminatory.

Other civilized governments raise vast sums without a sales tax. For example, the English government takes vastly more through steep income and inheritance taxes than we do in the United States. The possibilities of this field may prove a gold mine to harrassed legislatures in the future in this country. The English people simply will not tolerate a general sales tax. The law-makers disrespect this fact at their peril. It is regarded as criminal—a curse and needless abomination. Along sociological lines we are forced to admit though regretedly that our English brothers are much futher advanced. The economic plague of sales taxes is a product of the depression and has already overtaken the people in 24 states. Wherever it has been enacted it has hit the hardest with him who hath not. Truly it does Soak the Poor. By 1939 at the present rate of adoption, all 48 states may have general sales taxes.

A sales tax is placed upon the necessities of life, making everything cost the consumer more by whatever the per cent is, that is, theoretically. Over one half of the states have sales taxes varying from one to three per cent. This tax is misleading. Just how does it work out in practice for a poor woman who makes several small purchases in as many stores? The state may rob her of six or seven per cent on no more than one dollar. If the sales tax is one per cent, instead of her toil-earned dollar being worth 99c it proves to be worth only 93 or 44c. One readily sees the rank injustice done. The poorer you are the more in proportion you are forced to pay. The sales tax makes no distinction in respect to the ability to pay. A widow wash-woman with three hungry children will pay just as much for a sack of flour as the content and egotistical president of the First National Bank.

Let us forever bear this in mind-a sales tax is a terrible thing and must be avoided as a plague. Unless the people are alert and watch every move of the legislature some day will this damnable tax be shackled upon us. Every year more states are inflicting their direful sales tax upon their people. Indeed are these times that try men's souls and it is doubly important that the people never lose sight of the fact that in their United Might They Are Still All Powerful. The interests of the common man are being assailed by deeply entrenched, powerful and sinister forces bent on destruction. Evidences of the growth of Fascism are ominous. It is a ruthless dictatorship of great wealth. It is the most violent and reactionary and horrible form of capitalism imaginable. Huey Long was the type of man who would Hitlerize this country. We would place one flower upon his grave—poison ivy.

This most vital or supremely significent fact should sink deep into the minds of the people, that is, All Taxes Should Be Levied In Accordance With Ability To Pay and Not Upon Inability To Resist, as is true with the sales tax. Any leglislatton, most are politicians or opportunists and not statesmen, who favor a sales tax is an avowed enemy of the people—assuredly a menace to the general welfare. As one who has betrayed the people's interests he should be voted out of office. He is an ingrate, unworthy of the respect and confidence of the people. This misleader of the people is a friend and faithful servant or tool of the wealthy—the small class who through virtue of their ownership of the instruments of production and distribution constitute the ruling and exploiting class. This predatory or parasitic owning class whom the politicians serve so loyally at the expense of the people live off the honest toil of the masses. Labor crates all wealth. Nothing can have value until the magic wand of labor has touched it.

In brief, here is just how a general sales tax pays an old age pension: It robs all the poor, the poorest the most, for the benefit of a relatively small group of the poor. Let us use a much fairer and more desirable method to get the old age pension money, namely, increase income and inheritance taxes sharply. Let's not call this soaking the rich. Let's call it taking back part of the fruits of labor stolen from it by capital through exploitation. The rich are bitterly opposed to this plan, of course. They are strong for the general sales tax and why? Simply because it hurts them the least. Let us all fall in line with Sanity, Justice and Humanity and work against this infamous sales tax with all our power

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . "We have used Thedford's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

$75,000 Asked For Road Near Milano

County Judge Jeff T. Kemp was in Austin Tuesday and he received information that the road from Milano to Burleson County line on highway 36 was icluded in the federal program of $75,000 for grading and surfacing.

It is hoped that it will not be long before this work will start, but it will be necessary for Milam county to secure necessary right of way of which most has been secured, but a slight change has been made by the highway department requiring purchase of a new right of way to eliminate a curve at the Graham Filling Station at Elevation.

NOTICE OF HEARING OF PETITION FOR ROAD BOND ELECTION

THE STATE OF TEXAS,
COUNTY OF MILAM.

To All Persons Concerned in the Petition For Road Bond Election in Road District No. 21 of Milam County, Texas:

TAKE NOTICE that the Commissioners' Court of Milam County, Texas, has fixed 10 o'clock A. M., October 11, 1935, and the County Court Room in the courthouse of Milam County, in Cameron, Texas, as the time and place for the hearing of the petition of M. Hagerty and 151 other persons of Road District No. 21 of Milam County, Texas, praying said court to order an election to determine whether or not the bonds of said road district shall be issued to an amount of Sixteen Thousand Five Hundred ($16,500.00) Dollars for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in the aid thereof, and whether or not taxes shall be levied on all taxable property within said road district in payment thereof; said time and place for such hearing having been fixed by an order of said Commissioners' Court made and entered on the 14th day of September, 1935, which order is as follows:

"On the 14th day of September, 1935, the County Commissioners' Court convened in regular session, at the regular meeting place thereof in the court house at Cameron, Texas, and there were present at such meeting of said court all the members thereof, to-wit:

Jeff T. Kemp, County Judge;

Walter H. Fuchs, Commissioner of Precinct No. 1;

R. G. Stidham, Commissioner of Precinct No. 2;

R. S. Cloud, Commissioner of Precinct No. 3;

E. G. Stiles, Commissioner of Precinct No. 4.

"At such meeting said Commissioners' Court duly passed the following order:

"On this, the 14th day of September, 1935, came on to be considered a petition signed by M. Hagerty and 151 other persons, alleged in said petition to be resident property taxpaying voters of Road District No. 21 of Milam County, Texas, praying this court to order an election to determine whether or not the bonds of said road district shall be issued to an amount of Sixteen Thousand Five Hundred ($16,500.00) Dollars for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, and whether or not taxes shall be levied on all taxable property within said road district in payment thereof; those so signing said petition recommending therein the improvement of the following roads and streets within said road district, to-wit:

(1). Beginning at Highway 44 at the corner of Henderson's Gin lot; thence westerly with road approximately 4 miles to Luedecker & Crenan corner in Milam and Falls County line.

(2). Beginning at Leo O'Neil's S. W. corner on the above road; thence southward approximately 1.4 miles along the present public road to the N. E. Corner of the Charles Aigner, Sr., farm.

(3). Beginning at Burlington Cemetery thence eastward with road about one mile to the N. W. corner of Mrs. Geiser's home place; thence S. along the public road about 1.7 miles to the division line of Burlington and Clarkson precincts

(4). Beginning at the corner of Ed Martin and Ed Olbrich tracts on the road running E. described in number (3) above, thence S. with road about 2 miles to the N. W. corner for the E. Vogelsang Estate land.

(5). Beginning at Mrs. Witte's crossing on Highway 44, thence W. to Burlington Hall; thence N. to intersection with road number one above, approximately .3 mile.

(6). Beginning at the S. E. corner of the Gleason home lot in Burlington, thence E. to the Weid Gin; thence S. to Highway 44 about .2 mile.

(7). Beginning at the west side of Burlington Hall, thence W. to Cabron's S. W. corner; thence N. to the N. E. corner of the Peter Braden lot; thence E. to Ed Krause home lot about .3 mile.

(8). Beginning at the H. C. Henderson S. W. Corner, thence northward about .05 mile to Mrs. Robinson's corner.

"It appearing to the Court that on September 12, 1935, by order of this Court, of that date, and of record in Vol. 9, page 125, of the minutes of this court, said Road District No. 21 of Milam County, Texas, was duly established and that in such order said road district is accurately defined and described by metes and bounds as follows:

There's lots of room in the FORD V-8

EVERY ONE who steps into the Ford V-8 for the first time is surprised at its roominess. There's exceptional seat room, leg room and head room in all body types — the whole car gives you a feeling of substantial size.

The Ford gives you extra body room because of the compact design of the V-8 engine — an exclusive Ford feature at a low price. This V-8 engine takes up less space in the hood and permits more of the car's length to be used for passenger comfort. Many a car selling at a higher price does not give you as much interior room as the Ford V-8.

Rear seats are wide and restful . . . three people can ride comfortably in the front seat of the Fordor Sedan, Fordor Touring Sedan, Convertible Sedan and Phaeton, and in the Coupes and Roadster. The seat of the Ford V-8 Roadster is 52 inches wide. A ride in the Ford V-8 will show that it combines unusual body room with fine-car performance, safety and comfort.

Lady's Painful Trouble Helped By Cardui

"Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'doless.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." . . . If Cardui does not help YOU, consult a physician.

Farm Club Notes

"In my wardrobe work I have learned to take my foundation pattern and cut my type of dresses without buying a commercial pattern," says Mrs. S. D. Lawhon, wardrobe demonstrator for the Ad Hall Club.

For storage improvement, I have added three shelves in the back of my closet and two rods for hanging clothing on each side. On the top shelf I keep our hats and on the bottom shelf I keep my little girl's underwear and some of her dresses. This she is able to reach herself. On the middle shelf I keep my clothes that are to be folded. My husband cut broom handles in two and made rods on each side to hang our clothes. His clothes are hung on one of the rods and mine and the baby's are hung on the other rod.

My hat racks are milk bottles covered over and a ball of paper placed in the mouth of the bottle so hats will not lose their shape when hung on the rack have also taken a wire hat rack and bent it in such a way that it sets up. On this I place a ball of paper for my hat to hang on.

We have made shoe racks out of the ends from an apple box and another discarded broom handle I had saved. After the rack was finished it was painted white. This rack was then placed on the floor at the back of the closet and so now we have a place to keep the family's shoes.

A bag was made to hang on the back wall for baby's sox. Tie racks were made from old discarded embroidery hoop and fastened just inside of the door for my husband's ties.

Shelves, rods and shoe rack were all painted white and the total cash spent on my clothes closet was only twenty cents.

"My first step in pantry work is to plan," says Mrs. G. H. Beckhausen of the Bryant Station Club. "I planned the food budget and garden to produce enough vegetables for my family of four. The object of this budget is to produce the needed protein, carbohydrates and fats in proper proportion. A sealer, sepro-sieve, pea sheller and pear parer were added to the canning equipment this year. As a result, 379 containers valued at $277.04 were placed on the 48 feet of pantry shelving," reported Mrs. Beckhausen.

* * *

"With the help and co-operation of our land owner, I was able to improve our yard and to be yard demonstrator for our club," says Mrs. Ben Talley of the Bryant Station Club. The chicken wire fence which formerly came to the enge of the porch was removed and used for underpinning around the house. Shrubs were planted to tie the house to the ground; the yard leveled and sodded with Bermuda grass, and gravel walks made.

"I would not take back the $11.15 spent for the yard, because it improved the place so much," Mrs. Talley told the group who toured her yard on achievement day.

FRIENDLY BIBLE CLASS

Mrs. Leland Green, Sr., was hostess to the Friendly Bible Class Wednesday of last week. A number of games were enjoyed and at the conclusion refreshments consisting of ice cream and cake were served. Mrs. J. Coy Williams was in charge of the devotional.

Officers for the class were elected as follows: Mrs. W. E. Gaither, president; Mrs. Walter Sharpe, first vice president; Mrs. Hugo Slaughter, second vice president; Mrs. Penn Wolf, secretary; Mrs. John M. Bowman, assistant secretary; Mrs. W. H. Stafford, treasurer; Mrs. J. Lacy Wills, teacher; Mrs. R. L. Batte, assistant teacher; Mrs. John Perry, pianist.

Miss Katheryn E. Robbins Becomes Bride Of Otto B. Mackensen In Cameron Home Wedding

A beautiful home wedding of much interest to friends in Cameron and throughout the state occurred Sunday morning, September 22 at 8 o'clock when Miss Katheryn E. Robbins became the bride of Otto Bernard Mackensen of Baton Rouge, Louisiana, at the home of her mother, Mrs. Kathryn K. Robbins, Rev. O. C. Acrey, pastor of the First Presbyterian Church reading the impressive ring ceremony.

Decorations

The marriage vows were taken in an improvised altar in the parlor, where palms and cream and yellow roses were attractively used, and were also chosen in the decorations of the diningroom and were seen at pleasing points over the reception rooms.

Bridal Music

Miss Lucille Dickard presided at the piano. Mrs. C. W. Bradbury rendered a violin solo. The wedding march was Lohengrin's wedding march, and soft music was played during the ceremony.

Entrance of Bridal Party

The bridegroom came in with his best man, Bill Whitney of State University, Austin, and took their places at the altar with the minister. The bride's attendants were Misses Lois and Louise Robbins, twin sisters of the bride, attractively dressed in rust colored crepe with gold trimmings, and carried arm bouquets of Talisman rosebuds, tied with soft ribbons.

Entrance of the Bride

The bride came in on the arm of her uncle, Ernest Knipp, of Houston, who gave her in marriage. She was smartly dressed in a midnight blue tailored velvet costume with close fitting coat, with a touch of silver trimmings, with hat and shoes to match and wore a corsage of white bride rosebuds and wore white gloves.

The bride is the eldest daughter of Mrs. Kathryn K. Robbins, was reared in Cameron and later received her B. A. Degree at State University, where she has done study on her Master's Degree. She is a cultured young lady, a popular member of the social set of Cameron and for several years has been head of the Home Economics Department of Cameron high school.

The bridegroom is the son of Mrs. Marie Mackensen of Austin. He received his B. A. Degree at A. & M. College; his Master Degree at State and the past June received his P. H. Degree there. He now holds a position at Baton Rouge, La., in the Research Department of Bee Culture. He is a young man of excellent habits and intellect, and has many frieds over the state.

During the morning hours after the ceremony many friends of the couple called to wish them happiness and viewed the many beautiful wedding gifts. Mrs. Ernest Knipp of Houston poured coffee from a beautifully decorated table in the dining room, assisted by Miss Dickard and Miss Dorothy Blaylock and the twin sisters, who passed cinnamon and orange rolls followed with the cutting of the bride's cake. Miss Ann Elliott of San Antonio presided at the guest book. At ten o'clock Mr. and Mrs. Mackensen left for their home in Baton Rouge, La. Mrs. Mackensen will enter the University of Louisiana where she expects to complete her Master Degree.

This wedding is the culmination of a romance begun when Mrs. Mackensen was a freshmen in State University, and he was a senior at A. &. M. College at Bryan. He is a nephew of Miss Lina Perlitz, who formerly taught school in Cameron High School, and is now Mrs. H. B. McFarlan of Buffalo, New York.

The mother of the bride was attractively dressed in fern green colored satin crepe with gold trimming and wore a corsage of Talisman roses.

Mrs. Mackensen, mother of the bridegroom, was attired in a stylish costume of cloud gray chiffon and wore a white rosebud corsage.

Out of town guests for the wedding included: Mr. and Mrs. Ernest A. Knipp and son, Ernest, Jr. of Houston, Miss Julia Perlitz of Houston, Mrs. Marie Mackensen, mother of the bridegroom, Miss Elsie Perlitz, Miss Ethel Girvin, Miss Helen Girvin, Bill Whitney of Austin, Miss Ann Elliott of San Antonio and Garvis Swafford of Austin.

MILK SURVEYS TO FIND MILK SUPPLY

Secretary Paden of the Cameron Chamber of Commerce reports that Mr. A. J. Riddle, general manager of the Southwestern Division of the Kraft-Phenix Cheese Corporation visited Cameron last week in the interest of making a survey of Milam county's milk output.

Recently the Chamber of Commerce of this city submitted to the Corporation a survey of Milam county dairying resources. The survey included facts that were attractive to the Corporation and Mr. Riddle will send three members of his firm to Cameron in the near future to make a complete and thorough survey of Milam county, with a view to determining the milk supply available. Mr. Riddle was impressed with the activities of the local Chamber of Commerce and it is with a great deal of hope that the local Chamber looks forward to a satisfactory survey.

Texans eat a lot of cheese, yet up until six years ago practically no cheese was produced in the state.

In 1933, just three years after the first Kraft Cheese plant began operating in this state, Texas milk was used in making ten million pounds of cheese, and Texas dairy farmers got over a million dollars for that milk. You can consider that as a starting point for this industry which is growing so rapidly in the South. Kraft believes there are thousands of Texans who are anxious to develop the dairy resources of the state. Farmers who see what year round benefits could be reaped from stabilized dairy industry; business men who realize that prosperity for the dairy farmer is the basis of general prosperity.

IN RESPERATOR 546 DAYS

Oakland, Calif.—Raymond Rambo, 18, a victim of infantile paralysis, has spent more than 546 days in an "iron lung" after his lungs collapsed.

BRANCHVILLE

Our school opened September 9th with the same teachers: Mrs. O. F. Robinett, principal, Miss Virginia Cone assistant, and in spite of the rainy weather, several of the patrons were out. W. W. Roark of Andice gave an interesting talk. Mr. Roark has spent the past several summers attending Texas Military Training Camp in San Antonio where he recetly won first place in oratorical speaking also essay writing.

All pupils were present and offered to be ready to do a full year's work. The trustees are working hard to make needed improvements on the buildings and grounds.

On Friday, September 20th, we were fortunate in having both the State and County health nurses with us. Miss Moore, the state nurse, gave a most helpful talk. Several of the patrons were present and responded most heartily to the suggestions made.

Misses Moore and Fulcrod were accompanied by Mrs. Denson of the Child Welfare Board.

The Cameron Herald is to be congratulated on their efforts to help in the education of the children in the county by sending the Herald to each school.

Arthur Roark of Arlington recently visited his aunt Mrs. O. F. Robinet. Arthur started to school here at Branchville under Miss Lorena Ruby. He was delighted to see some of his first school mates.

Miss Nancylene Self who attended Yoe High last year has gone to Cisco to stay with her aunt, Mrs. Cole and will attend school there.

Rev. Walter Henson filled his regular appointment at the Post Oak Baptist church Sunday and Sunday night. He was accompanied by his daughter Mrs. James Beck.

Little Misses Margaret Wilkinson and Louise Henson have been on the sick list, but are able to be back in school now.

Miss Virginia Cone spent the week end with relatives in Cameron.

Mesdames Walter Henson and Jas. Beck shopped in Cameron Tuesday.

O. F. Robinett of Tanglewood spent Sunday with Mrs. Robinett.

Mrs. Dot Harlan and daughter, Katherine, of Gause, recently visited in the Voss Harlan home.

Mrs. Will Looney visited in Cameron Monday.

Cache of Gold Dug Up By Negro Near Calvert Is Old

CALVERT, Sept 20.—A cache of $20 gold pieces, believed hidden at the close of the Civil war, was unearthed by W. F. Jackson, negro, beneath a stump in his back yard, it was revealed today.

In all, 42 gold coins were found, some of them 85 years old. The treasure amounted to $840.

The negro was frightened when he made the dscovery as he beleved the government would prosecute him for hoarding gold. He kept the find a secret until today when the coins were sent to a bank in Dallas and exchanged for currency.

The coins show evidence of having been buried for many years, despite efforts to clean them. The oldest coins in the find are dated 1850 and the newest 1871.

T. F. Criswell, vice president of the Citizens State Bank at Calvert reported that Jackson had lived on the place where the gold was found for 16 years.

VEGETABLE POWDERS

It may not be long before we are eating vegetables in powder form, if experiments conducted by members of the American Chemical Society become common. It is claimed that certain vegetables such as spinach lettuce, celery, carrots, tomatoes and oranges can be successfully dehydrater, stored and economically transported, as 180 pounds of dried material is equivalent to approximately one ton of fresh vegetables.

The powder is said to be easily digested and may be taken by those whose systems cannot tolerate ordinary fibrous vegetables.

WRONG-SIDED

Chicago.—When physicians X-rayed Robert Adams, accountant, preparatory to operating for appendicitis, they were amazed to discover that his heart, appendix and other important organs are all on his right side. There was no operation for appendicitis.

Davis Dies From Stab Wounds

James Gordon Davis, 36, of near Burlington, died in the Cameron Hospital Tuesday night at 12:15. He was brought to Cameron on Sunday morning suffering from knife wounds in the left side and lungs.

Mr. Davis was born in Bell county. His mother, Mrs. Sallie Davis of Rosebud, Route 2,and his wife and four daughters survive. Four brothers, Cecil Davis of Conroe, Allen Davis of West Virginia, Chalmas and Dowen Davis of Briary also survive.

Funeral services were conducted on Thursday afternoon at Powers Chapel, where interment mas made.

According to officers Davis was fatally stabbed at a negro supper. A negro woman in the Marlin jail and according to Sheriff Kennedy has made a confession.

Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

NOTICE TO CREDITORS OF VOLUNTARY LIQUIDATION OF THE BURLINGTON STATE BANK, BURLINGTON, TEXAS.

In compliance with Articles 539-40 of the R. S. of Texas, notice is given by the directors of the Burlington State Bank, located at Burlington, Milam County, Texas, that a stockholders meeting of the said bank held on the 5th day of August, 1935, pursuant to notice theretofore given, as prescribed by statutes, the proposition was duly submitted to said stockholders to close the business of the banking corporation, and that at said meeting resolution was unanimously adopted that pursuant to the action taken January 25, 1932, by the stockholders of said bank, all depositors and creditors have been fully paid, and that after discharging all remaining liabilities, if any, the remaining assets of said bank be distributed proportionately among the stockholders and that the bank surrender and have cancelled its corporate franchise; and that the proper officers and directors be fully authorized and directed to take all necessary action, with the power to execute all necessary papers to effect such dissolution.

Accordingly, the undersigned directors give this notice of the action so taken, and that at the expiration of three months from said date, the statutory requirements and action will be completed.

MY FIRST NIGHT AWAY FROM HOME

By Laverne Ownsby

I shall never forget the first night I spent away from home. It was Friday—a very cold day at that. Barbara, my friend, asked me to spend the night with her and I consented. Her mother had been at home all day by herself because Mr. Baker had gone out of town on business and had taken the car with him. So Mrs. Baker could not go to town for the groceries she needed. When Barbara and I got there she asked us if we would go for the groceries, to which we consented.

It was early in the afternoon when we left for town and a strong wind was blowing. Barbara lived amile from town but we did not mind the distance much.

We both wore a light coat and no hat. If Mrs. Baker had seen us before we left she would have made us wear more wraps. We finally got to town and bought the groceries and started back home, but it was raining so hard we could not go then. It was then five o'clock. It finally stopped raining about six o'clock and we were able to start back home.

We got home about seven-fifteen and Barbara's mother was in bed so we did not trouble to wake her.

Most of the night we were wondering what Mrs. Baker would say the next morning when she found out we had a cold, but Mrs. Baker did not say anything to us about it. Maybe she didn't notice it.

MY BOAT RIDE

By Elaine Young

I have had many narrow escapes, but none equal to the one at Pine Crest Lodge.

It was about two-thirty one afternoon and I was trying to amuse myself when I saw a boat tied at the edge of the lake. I decided to get into it and read.

I suppose I had been reading for about half an hour when I went to sleep. I don't know how long I slept, but when I awoke I was in the middle of the lake in a boat half full of water.

I didn't know what to do for I did not have anything but a hat to bail out the water. No one was in sight but a fisherman at the other end of the lake and I didn't know how to swim. I began frantically to call for help. In about fifteen minutes the fisherman saw me. It took him about ten minutes to get to me but it seemed an hour.

It was a very wet and dripping girl that was rescued from the lake that day from a nunsuccessful boat ride.

TO SPEED UP ARMY

Washington.—With every rifleman a virtual machine gunner, trained to act on his own in an emergency, transported by small vehicles moving at sixty or more miles an hour, directly to the field of action, it is advocated by Gen. Douglas McArthur, retiring chief of staff, in his farewell report, that the regular army be transformed into a model fighting force for speed and efficiency.

DISAPPOINT THIEVES

Los Angeles.—Thieves who robbed the home of George A. Hormel, millionaire canner, of $500,000 in securities, probably received the shock of their lives when they discovered that they are worthless except to the original owner, being all non-negoitable.

Delegates Named To Eastern Star Meet In October

Mrs. Niley Smith, worthy matron of the Cameron O. E. S., was elected as delegate to the Grand Chapter O. E. S. in San Antonio in October. and Mrs. Raymond Sharpe was elected alternate at the regular meeting of the Cameron Chapter Tuesday evening at the Masonic Hall.

Other business was attended to during the evening. There are a number of the members of the chapter planning on attending the meeting in San Antonio.

HISTORY CLUB

The first meeting of the season of the Cameron History Club was held at the home of Mrs. Tom Denson. The newly elected officers for the season are President, Mrs. Graham Gillis; first vice president, Mrs. John B. Henderson; second vice president, Miss Katherine Flinn; secreatry, Mrs. Stanley Swift; treasurer, Mrs. S. A. Cottle. Roll call was answered by current events. At this time the program committee, composed of Mrs. John B. Henderson, chairman, Mrs. Stanley Swift and Miss Katherine Flinn, made their report for the year, which will include four studies, with several meetings to each subject. First subject will be International Interest, second will be National, third will be Cultural Trend and the last subject will be Texas.

Next meeting will be with Mrs. Joe Denson.

Concluding the program the hostess, assisted by Misses Dorothy Schiller and Margaret Blaubaum, served ice cream and cake.

YOEMEN IN POOR FORM BUT WIN FROM FRANKLIN

VICTORY NOT IMPRESSIVE AND CONFERENCE CHAMPS MUST IMPROVE FORM

Yoemen's victory over Franklin Friday night was not impressive. The 1934 district champions must improve their form to go on the field Friday night in their first conference game with Thrall, to have anything like a break to win.

Lack of blocking, tackling, coupled with poor punting and many fumbles, cost the Yoemen the good estimate of many experienced eyes who appraised their form in the field against Franklin.

Simmie Smith, veteran back, carried the burden of the offensive, sharing with Peck and Joe McLean the backfield honors.

The following is a play by play report of the game:

A strong north wind was sweeping across the field as the whistle blew for the kickoff. Franklin kicked to Cameron's 24 yard line and the ball was returned 19 yards. McCollough made the tackle.

Joe McLean took the ball from Perrin at center and made 8 yards through right tackle. A pass from McLean to Gilbert playing right end was unsuccessful. McLean then fumbled badly, one of many such plays that marred the game for the Yoemen. Ball was recovered by Franklin after the whistle blew and the ball was still in the hands of the floundering Yoemen. Another pass was incomplete and McLean was stopped by Lastor as he made only 3 yards at right guard. The ball went over. The Yoemen were giving a poor exhibition.

Franklin's Ball

Faircloth for the Lions was smothered by three Yoemen as he tried left end with only a half yard gained. Bectold then tried left end for no gain. Faircloth then punted and Peck, who gave one of the few creditable performances of the evening, ran the ball back to the 40 yard line.

Cameron's Ball

White and McCullough stopped McLean after he had made 5 yards through left tackle. McLean failed to gain at center. He then punted to Franklin's 45 yard line.

Franklin's Ball

Nieman went over tackle for three yards and was stopped bq Triggs. Willis hit tackle for three yards. On the next play the Yoemen were caught napping as Bectoid on an attempted punt fumbled the ball, but recovered and ran it down the field in a sweeping right end play. Faircloth made two yards at left guard. Nieman in a well executed lateral pass behind a perfect line action threw to Willis who got away and went around right end for 20 yards and a first down. The Yoemen looked like sorry champions. On a fake play Willis went through center for three yards and was stopped by Stanislaw and Ermis. Bectold then fumbled but recovered the ball. Faircloth went through center for 1 yard, stopped by Stanislaw. Bectold then made it a first down through center of the line for 4 yards, stopped by Ermis. The ball was on the 17 yard line. Willis then made 4 yards and was stopped by Ermis. Bectold then fumbled and the ball was recovered by Pool for the Yoemen. Thus ended what threatened to become a touchdown from a midfield march.

Cameron's Ball

McLean kicked from the 12 yard line to the 45 yark line.

Franklin's Ball

Woodrow Crawford playing his first game at right end this season, broke up a lateral pass attempt that cost Franklin 12 yards. Bectold then kicked our of bounds on Cameron's 18 yard line.

Cameron's Ball

McLean faked a play and Stewart went through the line for a first down. Simmie Smith then went through center for 4 yards, stopped by McCullough. Smith then failed to gain at right tackle. A forward pass from McLean to Gilbert was intercepted by Willis. The Yoemen could not pass and were floundering badly.

Franklin's Ball

Willis fumbled and the ball was recovered by the Yoemen. It was a contest of fumbles on both sides.

Cameron's Ball

Smith picked up 4 yards at center, stopped by White and Nieman. Joe McLean then failed again to complete a pass and Stewart could make only 1 yard at center. Joe McLean kicked out of bounds on Franklin's 32 yard line as the quarter ended.

SECOND QUARTER

Franklin's Ball

Echols on the first play to open the quarter went wide to circle right end but Crawford downed him for a loss of 6 yards. Crane for the Lions then kicked to Cameron's 40 yard line.

Cameron's Ball

Stewart could get only two yards at center. McLean showed one of his best spurts of the game and went off tackle for 13 yards and a first down. He failed to gain on the next play at right tackle. Captain Breeding then came into the game and tried a pass that was incomplete. McWilliams of the Lions stopped Stewart after a pass that was incomplete. McWilliams of the Lions stopped Stewart after he had made 4 yards over center. On the next play Joe McLean took the ball and went around right end for a touchdown. Ermis failed to kick goal and the score was Yoemen 6, Lions 0. Breeding kicked off to Franklin's 25 yard line.

Franklin's Ball

Bectold was stopped by Richter after the second unsuccessful attempt at the Yoemen line. Bectold then kicked out of bounds on Cameron's 41 yard line.

Cameron's Ball

Stewart picked up five yards at center, stopped by Andrues. On the next play Peck went through right tackle to the 30 yard line for a first down. A pass from Joe McLean to Peck was incomplete. Peck was tackled by McCullough after he had made three yards at left tackle. Captain Breeding, whose knee was showing improvement, passed to Louie Turner for a first down on the 15 yard line. A pass from Breeding to Peck was incomplete. On the next play Peck took the ball from Perrin at center and went around right end for a touchdown after a sweeping run. The ball was called back and Cameron penalized 15 yards for clipping, an unintentiinal offense by Gilbert. On the next play Breeding passed to Turner and it was good, the ball being placed on the 19 yard line. Turner was hurt on the play. Peck then carried the ball to the 11 yard line. Smith got 5 yards at right tackle, putting the ball on Franklin's 6 yard line. The Yoemen could not advance it further and the ball went over on downs.

Franklin's Ball

On a fake kick Nieman gained 3 yards through center, stopped by Stanislaw. Faircloth on a fake play through center picked up a yard. Bectold then kicked to the 50 yard line.

Cameron's Ball

Breeding's pass was intercepted by Nieman who ran the ball to the Yoemen's 25 yard line. He fumbled and the ball was recovered by Cameron.

Cameron's Ball

On a fake kick Smith went over right tackle for a first down. On the next play Smith made 4 yards at left tackle, stopped by McCullough. Smith hit center for four yards and a first down as the half ended. Score at the half Cameron 6, Franklin 0.

THIRD QUARTER

Gilbert kcked off for Yoemen and the ball was received by the Lions on their 29 yard line.

Franklin's Ball

On a spin play Franklin picked up one yard, Ermis making the tackle. Faircloth made 2 yards at left guard. Bectold then kicked out of bounds on Cameron's 35 yard line.

Cameron's Ball

Joe McLean went over center for 7 yards, stopped by Nieman. On the next play McLean was thrown for a loss, but took the ball on the next play to the 40 yard line for a first down. A pass from McLean to Peck was good for seven yards, White making the tackle. On the next play McLean made it a first down. After he had failed to gain Peck then picked up a yard at center. Stewart fumbled and Smith recovered for Cameron on the 27 yard line. McLean then kicked and the ball was returned by White to the 49 yard line.

Franklin's Ball

Faircloth was thrown for a 5 yard loss as Stanislaw, Ermis and Richter smothered him. The ball was on the Lion's 45 yard line. Stanislaw then broke up an attempted lateral pass and the Lions lost 5 yards. Bectold then kicked out of bounds on Cameron's 30 yard line.

Cameron's Ball

Smith failed to gain around right end and could make only 1 yard at right guard, stopped by Lastor. McLean made a yard at center and then kicked to Crane who was stopped on the 30 yard line.

Franklin's Ball

Poole went in for Gilbert. The big right end was giving a poor exhibition. Nieman tried a spin play and it was broken up by Poole. Neiman made 9 yards around right end and Stanislaw finally make the tackle. Nieman then made it a first down over center for 1 yard. He was stopped by Triggs on the next play after he had made a yard. On a reverse play Andrues was thrown for a 7 yard loss by Ermis who broke through to make the tackle. Bectold then kicked to Cameron's 30 yard line and it was returned 15 yards by Smith as the quarter ended.

FOURTH QUARTER

Cameron's Ball

Smith picked up 6 yards at center, stopped by Bectold. Smith then got 1 yard over center. Joe McLean hit left tackle for a first down and the ball was on Cameron's 46 yard line. McLeroy then stopped Smith who made 5 yards at center. Smith then carried the ball 14 yards through tackle for a first down. Smith was the best performer on the field and carried the brunt of the offensive. On the next play he made 11 yards and a first down placing the ball on the 11 yard line in scoring position. Joe McLean could not gain at center. Again Simmie Smith made a first down. He carried the ball to the one yard line. It was goal to go. Peck then fumbled the ball and the Yoemen lost 10 yards. Undaunted, Smith again hit center for 9 yards and placed the ball on the 1 yard line. On the next play Smith went over for a touchdown and Ermis kicked the goal. The score was Cameron 13, Franklin 0. Gilbert then kicked to Franklin's 15 yard line and the ball was returned to the 30 yard line with Stanislaw getting the tackle.

Franklin's Ball

Willis failed to gain on a spin play. Triggs and Perrin broke up the play and made the tackle. The ball was on the 30 yard line. Willis went through right guard for 8 yards, stopped by Crawford. Nieman tried left guard for no gain, stopped by Ermis and Perrin. Nieman went over right tackle for two yards and a first down. Triggs made the tackle. Bectold went over right tackle for three yards. Perrin made the tackle. Crane fumbled and lost a yard. A pass from Andrues to Bectold was incomplete. Faircloth was stopped by Perrin after he had made only two yards at center and the ball went over..

Cameron's Ball

Smith went through tackle for one yard as Andrues tackled him. Smith then made 8 yards. Smith made a first down on the 32 yard line. Joe McLean then made a first down on the 32 yard line. Joe McLean then made another first down through center with Lastor getting the tackle. Smith went off tackle for 5 yards and the ball was on Franklin's 10 yard line as the game ended. Final score Cameron 13, Franklin 0.

Miss Lenora Hollas Becomes Bride of Herman Bayer At St. Monica's On Monday

A wedding, pretty in its simplicity, at the St. Monica's church on Monday morning at 8 o'clock, united in marriage of Miss Lenora Hollas and Herman Bayer of Marak. Rev. Geo. Apel, pastor of St. Monica's church performed the ceremony.

Wedding music was rendered on the organ by Mrs. Frank Hanel of Hoyte.

The bride was attractively dressed in the traditional white satin, and her veil was of net, made cap effect with touches of orange blossoms. Her bridal bouquet was white rosebuds and fern. She was attended by her sisters, Misses Lillie and Alberta Hollas who wore ankle length dresses. Miss Lillie wore a frock of pink crepe and Miss Alberta of blue. Their escorts were: Hubert Jistel and Ervin Hollas also of Marak.

The bride is the daughter of Mr. and Mrs. J. Hollas of Marak and the groom is the son of Mr. and Mrs. Antone Bayer. Both were reared in this county and have a host of friends in the Marak community, where they will make their home and the groom is a prosperous young farmer.

Following the ceremony, a wedding dinner was served at the home of the bride's parents.

accusations of "you didn't prosecute my son—you persecuted him" rang out against the prosecuting attorney. She believed him innocent. She knew her son would not do a thing like that. That is a mother's love and loyalty. She, like many others, refused at that moment to accept the incredible. Life is like that at times—it hands us something that we feel like just couldn't happen to us, and the refusing to accept it, and to beat and fight against it, is like a bird or animal caught in a trap and beating its life out for escape, where there is no escape. The boy charged with the crime, robbing by assault, was only 22 years of age, nice looking and well dressed. Soft white hands indicated that he had never done any hard work. He had a pretty wife and a baby. Evidence produced showed that the young man had worked only five months out of the two years he had been married, and since the marriage he and his wife had been living with his parents part of the time in New York and with her parents part of the time in Houston.

WEDNESDAY BRIDGE

The Wednesday Bridge Club held their first meeting of the season this week at the home of Mrs. James Watson.

Mrs. Watson served delicious refreshments to the eight members of the club.

William Moran was a visitor in Houston last Monday.

Many a Friend Recommends

BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it! . . . Mrs. Joe G. Roberts, of Portersville, Ala., writes: "A friend recommended Black-Draught to me a long time ago, and it has proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have." . . . A purely vegetable medicine for the relief of

Find Out

From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well - Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your *doctor* what he thinks about it — in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated *among the fastest methods yet discovered* for the relief of headaches and all common pains . . . and *safe* for the average person to take regularly.

You can get real Bayer Aspirin at *any* drug store — simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.
